

INSIDE YOURSELF

FEBRUARY 23 - 26, 2007 GALLERY HOURS: FRIDAY TO MONDAY 1 TO 7 PM
SPECIAL MOBILE CLUBBING EVENT: SATURDAY, FEBRUARY 24, 9PM TO LATE

During The Armory weekend, Parker's Box fuses together the artworld, musicworld and clubworld with "INSIDE YOURSELF", a mobile clubbing video dance event featuring gallery artists and special guests:

Video artists:

Jason Glasser, Patrick Martinez, Caroline McCarthy, Stefan Nikolaev, Fabien Verschaere

Music including:

Fruitkey (courtesy t-rec records), **Liquid Architecture** (courtesy Naïve records), **Nikolaev Bulgarian Mix** (courtesy Galerie Michel Rein)... and additional special guests!

Soundtracks to the videos are available free at www.parkersbox.com and can be downloaded so that visitors can synch their MP3 players to the videos and start dancing with the volume pumped right up at 9PM on Saturday February 24 at Parker's Box as part of the Armory VIP programmed "Williamsburg After Hours" event (up to 50 galleries open until 11PM, + after party, + RAW mags, + special events etc...).

Make sure you bring your MP3 player- (and your own choice of tunes if you don't like those on offer!!!).

Having already had several lives as a rockstar, **Clem Snide** founder, **Jason Glasser** is also a painter and video artist with his second solo show planned this spring at Parker's Box. His latest video work with soundtrack by his band, **Fruitkey** (already acclaimed in Europe), offers the world premiere of a trailer track from the soon to be released album, *Chevaline*.

Fabien Verschaere shows his new video *Seven Days Hotel*, which premieres February 15, at the artist's solo show at the Museum of Contemporary Art in Lyon, France. The soundtrack of the same name is by the French artworld badboy band, **Liquid Architecture**, lead by the French critic/curator, Jérôme Sans (!?) remembered in New York for their unique live concert at Jeffrey Deitch Gallery in 2005. *In the Heat of the Morning (After David Bowie)* is a classic 1997 karaoke-in-the-shower video work by **Patrick Martinez**, founder of the experimental band **Läpin Kultä**. **Caroline McCarthy** offers a more subtly conceptual work featuring the artist faking a classical piano rendering, while **Stefan Nikolaev's** video: *The Screensaver / the hard disk / the disk*, defies gravity in more senses than one with its Bulgarian pop cover songs.

All participating artists represented by Parker's Box, except Stefan Nikolaev, courtesy of Galerie Michel Rein, Paris.
